

## AUSPICIOUS OPENING FOR PUBLIC SCHOOLS

There Is Every Indication of Healthy Increase Over the Attendance Scheduled for Last Year—Few Changes Made.

With every indication pointing to a healthy increase over last year's enrollment, the schools of Washington will resume sessions next Monday morning at 9 o'clock.

Comparatively few changes have been made in the corps of teachers during the vacation.

The official force of the Board of Education has perfected all arrangements for the opening of the schools, the concluding details having been completed today, with the installing in each of the schools of a water boiling and filtering device. This step is taken as a preventative to typhoid or like fevers, the germs of which are said to exist in unfiltered drinking water.

Three new school buildings will be occupied during the coming term; namely, the Business High School, the John W. Ross School, and the Blow School. These buildings, however, will not be ready for occupancy next Monday, but all will be ready by December 1.

The new Business High School building, which is located at Eighth street and Rhode Island avenue northwest, is the largest of the three buildings, and has been planned to accommodate 800 pupils, and is so arranged that it can be enlarged without spoiling the architectural design should the attendance at the school warrant more room.

The Blow School, located at Nineteenth street and Benning road, and the John W. Ross School, at Twelfth and Harvard streets, are smaller buildings, but are fitted out along the same lines as the Business High School. The old school buildings have been completely renovated, and many repairs have been made in both their interior and exterior appearance.

**Large Enrollment.**  
The principals of the various schools, in their reports to the Board of Education on the estimates for the coming year, show the probable total enrollment of eighth grade pupils on next Monday to be 1,450, or 124 more than on the opening day last year. Taking these figures as a basis, the superintendent of schools figures that at least 50,000 pupils will be enrolled in the District schools next Monday.

The most important innovation this year in the public school system will be the establishing of two branches of the Normal Training School. Branches of the Normal School will be established at the Minor School, and at 1617 Twelfth street northwest. These branches will operate with the crowded condition existing at the Normal at the close of the last school year.

In addition to this a cooking school for white pupils will be established at 1215 G street northwest, and one for colored children at 1208 H street northwest. Cooking and sewing schools will be established at Takoma Park School and at Garfield Hall.

**Will Meet Principals.**  
The teachers of the graded schools will meet their respective supervising principals for instruction on Saturday, September 14, as follows:

Fifth division, at 9 a. m., Curtis School.  
Seventh division, at 10 a. m., Franklin School.  
First division, 10:30 a. m., Dennison School.  
Second division, 11 a. m., Henry School.  
Ninth division, 11:30 a. m., Gales School.  
Sixth division, 12:30 p. m., Ludlow School.  
Third division, 1:30 p. m., Wallach School.  
Eighth division, 2:15 p. m., Cranch School.  
Fourth division, 3 p. m., Jefferson School.  
Tenth division, 3 a. m., Summer School.  
Eleventh division, 10 a. m., Cooke School.  
Twelfth division, 10:30 a. m., Garnet School.  
Thirteenth division, 11 a. m., Lincoln School.

A general meeting of the Tenth, Eleventh, Twelfth, and Thirteenth divisions will occur at 3 Street High School, at 4 o'clock Saturday afternoon to meet the superintendents.

Tickets of admission will be issued by the principals of the respective school buildings on Friday and Saturday, September 13 and 14, between the hours of 8 and 10 a. m. and 5 and 6 p. m. Application should be made at the school building nearest the home of the applicant.

Application for admission to the McKinley and Armstrong Manual Training schools should be made to the respective principals at said school buildings, and for admission to the high schools to the directors of high schools at the Central High School, on O street between Sixth and Seventh streets northwest.

P. M. Hughes, director of high schools, and the principals of the respective man-

## FRIENDS OF TEMPERANCE CELEBRATE ANNIVERSARY

Order of Sons of Jonadab Now Thirty-Eight Years Old—Officers Elected.

More than 500 of the friends of temperance assembled last night at Carroll Institute Hall to participate in the celebration of the thirty-eighth anniversary of the founding of the order of the Sons of Jonadab. S. H. Willey, sovereign chief of the order, presided. The occasion was made doubly interesting by the rendition of several musical and vocal selections.

Addresses were made by Sovereign Chief Willey, Judge Samuel C. Mills, the founder of the order, W. H. Rynehart, of Baltimore; and R. B. Dickey. The following were elected officers:

S. H. Willey, sovereign chief; J. F. Riley, sovereign vice chief; W. H. Young, sovereign secretary; F. J. McQuade, sovereign treasurer; C. A. Caho, sovereign guide; and W. P. Evans, sovereign watchman.

## THOMAS TAGGART TO HAVE A RIVAL

Al Brown Will Open Opposition Hotel and Club Rooms in French Lick Because of a Dispute

TERRE HAUTE, Ind., Sept. 14.—Al Brown, who is reputed to have made a half million dollars as proprietor of the club rooms at the French Lick Hotel, of which Thomas Taggart, chairman of the National Democratic Committee, is the manager, has let the contract to a Terre Haute architect for a \$200,000 building at French Lick, and will conduct a rival hotel and gambling resort.

It is stated that several weeks ago Mr. Taggart demanded \$2,000 a year rental from Brown instead of \$5,000, at which rate Brown had a five-years' lease. Brown refused, and Mr. Taggart turned off the water, light, and other conveniences and disconnected the gambling rooms from communication with the hotel.

Brown threatened to sue, but was informed that considering the uses of the rooms the lease would not hold. He finally accepted a check for \$20,000 and quit.

## Let Us Demonstrate.

We think we have the most expensively equipped rental department in the city. Is it because we have the largest rental business, or because we find it necessary in order to give the best service? Or is the magnitude of our rental business due to our fine equipment? We would like to answer these questions by demonstrating to you how we make property pay.

## "Ready-to-Wear" Clothing for Men

We've given a new meaning to the expression "Ready-to-Wear." Men don't think of it as they did and do of "Ready-Made." What we have for you ready to wear is as well made as if made to order—and better cut and draped than most tailors can cut and drape garments. The men who cut the patterns for our clothes have graduated from the tailor's bench and earned their reputations as the cleverest and best equipped men in the business and of course command many times the money they did in the tailor shop. You get the benefit of their best ideas and best achievements when you buy Parker-Bridget clothing. You pay the prices of ready-to-wear clothing—and get quality and style that bears no comparison to price.

## Clothing of the Better Sort at Prices You'll Approve

### SCHOOL CLOTHES FOR BOYS

to justify him in stretching the limit of quality of fabric and trimming and as a result "value" far beyond anything ever offered at the prices before.

**Price: \$3.95 and \$4.95**
